e-Mentoring for Student Success (eMSS) Support

- eMSS program provides an online mentor and other professional development support
- Mentees are organized in a Community of Practice (Our Place) with other new CTE teachers based on CTE Field

Mentee Expectations

- Communicate with mentor weekly via Our Place, email, phone call, video chat, etc.
- Participate in goal setting with mentor
- Complete 1 Exploration per year
- Complete Pre and Post Surveys
- Engage in classroom observations 3 times per year (video or in-person)

Regional Supplemental Support

Regional one-on-one support from a teacher in the same CTE Field available should a mentee need assistance that may be better addressed in person.

KSDE Approved Teacher Mentoring & Induction Program.
Meets requirements for educators on initial license to upgrade to professional level license.
